FIFTH SUNDAY IN ORDINARY TIME (Year A)

Jesus Christ symbolises our lives as Christians with two essential items; salt and light. The comparison with salt and light shows the positive influence of our lives as Christians. Kingdom citizens, like salt and light, we are to be useful. Salt is used for flavouring and preserving. It makes food taste well. Disciples are to be the sweetening and tasty elements in the community. Salt also preserves certain food items from going bad. Disciples are to prevent the quality of life from getting bad. But if salt loses its saltiness, it is bad and cannot retain its usefulness. Disciples lose their usefulness if they do not sweeten and preserve society.

The usefulness of light is to drive away darkness. Without light there will always be darkness. God first created light. "Let there be light, and there was light" (Gen. 1:3). As light, disciples are to drive away darkness for people to see clearly. The world must see us disciples of Christ, as light that leads others from darkness to light. Christians are expected to be useful like salt and light.

May the darkness of sin and the night of unbelief vanish before the light of the Word and the Spirit of grace. And may the heart of Jesus live in the hearts of all. Amen.

Parish Team. Our Parish Team represents The Diocesan Shrine of Our Lady of Perpetual Succour and St Anselm. It was formed by Fr Damien in 2008 to support the parish and parishioners with general direction, property, finance and parish activities in general. Our role is not liturgical and this aspect is led by Fr Jerry with Deacon Peter supporting him. Deacon Peter has the spiritual responsibility for developing the activities of the Shrine. Our current team is made up of James Bellamy (Chair), Fr Jerry Manomey, Mary Brooks, Linda and Bernard Hewitt, Elizabeth Lewis, Pauline and Peter Osborne and Karen O'Rourke and we meet every six weeks. We are currently working on projects which include the internal redecoration of Our Lady's, significant electrical work at St Anselm's, ongoing maintenance of the Catholic cemetery and the reorganisation of the parish meal. We are waiting for a final decision on the removal of the sequoia tree at the entrance to the church and, when this decision is received, we will restart discussions with the Bishop in the summer on the longer term plans for the Shrine. Would you like to be contribute? Volunteering as a Parish Team member in the future, supporting activities or providing feedback/ideas. If so please contact Lorraine Foster, the parish admin assistant, e-mail: sacredheartchurch@btconnect.com or Tel: 01604 402301. Our next Parish Team meeting is on Monday 13 March 2017.
