EPIPHANY

People travel and pay a substantial amount of money to attend a pop show where a famous artist makes an appearance. For the Greeks, the word "Epiphany" was used to describe the appearance or manifestation of a god among human beings. Today, we celebrate the appearance of the Lord Jesus Christ to the whole world. The celebration of Epiphany brings out a prominent aspect of Christmas; the manifestation of the Universal new born King.

A very superstitious Herod is upset by the enquiry made by the three Wise men. He realises that his position and authority are under siege and about to be usurped. His quest is not to worship the new boy King of the Jews but to eliminate him before he takes his position away from him. The gifts of the three Wise men have symbolic meanings: gold signifies the kingship of Christ, incense his divinity and myrrh his redemptive suffering.

May Jesus Christ, the Light of the world light up our journey of faith so that we may see clearly and make the right choices in life that we will one day see him face to face.
