Holy Family of Jesus, Mary & Joseph. Summary of Bishop Peter's Pastoral Letter:

During this Christmas time, we hear how Jesus embraces our own human experience, and walks with us, in his birth, and as a member of the Holy Family. In our own uncertain times, it is good to remember how Mary and Joseph fled with Jesus from the threat of persecution, and how they lived as refugees in Egypt before returning home.

According to Bishop Peter, in the home of Joseph, Mary they had to wrestle with the mystery of their Son. Like all parents, they agonise when he goes missing on their journey back from Jerusalem. When they find him in the temple, they must have been perplexed, if not hurt, by what Jesus said to them, "Why were you looking for me? Did you not know I must be busy with my Father's affairs?" Yet he goes down with them to Nazareth and lives under their authority, while Mary stores up all that had happened in her heart.

Bishop Peter also encourages us in our own families as we listen to the story of the Holy Family. He indicated that all of us have our ups and downs, our failures and our sufferings, our successes and our tragedies. No family is perfect. What must we do? We must continue to love and cherish one another within our families. Embrace them whatever their situation.

Furthermore, Bishop Peter reminds us of marriage as the school of love and faith. It is the building block of our society and, at a time when there is so much marriage breakdown, marriage ministry is a priority. And in our parishes, we must find ways constantly to pray for and celebrate Sacramental Marriage with the renewal of vows and special anniversary blessings. Week by week, we should try to support one another in our families, those recently arrived in the parish, young families, one parent families, couples coping with children leaving home, and couples in old age, and those who are widowed, and those who are separated and divorced. And do not forget those of us who are single, living out our precious vocation.

In conclusion, Bishop Peter prays that we place ourselves in the heart of the Holy Family that, whatever the year brings, we may seek to be like them, trusting in God and trusting in one another. That call to trust and live with integrity is a big "ask" at a time when there is little trust and everyone claims their own truth. Through the intercession of Mary and Joseph, may we become more like Jesus, growing in wisdom, in stature, and in favour with God and with one another!
